The **LMAC** flying site is based at Kirknewton Airfield on Ministry of Defence Property. The airfield, which is located on the B7031 roadway approximately 0.8 miles south of the village of KIRKNEWTON. Access is on the left or East Side of the roadway via a wide wheeled gate. Follow the signposts, the first of which is at the entrance gate and directs southwards to the windsock, where a second signpost is displayed. This directs you northwards towards the runway used by **LMAC**.

DISABLED persons are also catered for with easy access to the airfield, and hard standing, should the use of a wheelchair prove necessary. VISITATION to the club flying site is permitted but it is requested that you "Contact" us in advance so that you can be "familiarised" with the conduct necessary for your attendance on M.O.D. Property.
